**FOR IMMEDIATE RELEASE:**

**CDS Announces Florida Windstorm Mitigation Credit Maps**

Boston, Ma, November 2003 - CDS Business Mapping, LLC a leader in online hazard mapping, announces the release of its Florida Windstorm Mitigation Credit Maps.

This is a set of three digital maps needed by insurers to meet the requirements for the new Florida Windstorm Mitigation Credits program that goes into effect November 15<sup>th</sup>, 2003.

Insurers writing business in Florida need these maps to accurately apply credits in accordance with this new mandate. By using the RiskMeter Online solution (<http://www.riskmeter.com>) users will be able to get a set of three digital maps (Windborne Debris Regions, Florida Building Commission Windspeed Maps and Florida High Velocity Hurricane Zones) simply by typing an address!

“The Florida Windstorm Mitigation Credits program can be an extremely time consuming process,” says Dan Munson, Vice President of Sales and Marketing, CDS Business Mapping. “People who use our RiskMeter Online can save themselves valuable time and money by getting it right the first time.”

**About RiskMeter.com**

The RiskMeter is used by underwriters and agents to automate property lookups. The RiskMeter utilizes Internet mapping technology to enable underwriters to determine the

proximity to natural hazards for any property in the United States. The RiskMeter is far more accurate and faster than any other method of property lookups, and can save Underwriters considerable time and money. The Risk Meter performs many types of lookups, including distance to coast, windpool eligibility, rating territories (company specific), proximity to brush, earthquake information, flood zones and others.

### **About CDS Business Mapping**

CDS Business Mapping, LLC., was founded in 1994 as a desktop mapping sales and consulting company. The company offers a full line of mapping software, data and applications for insurers. The company specializes in natural hazard risk assessment tools and natural hazards data. The company is dedicated to the creation and implementation of mapping solutions for the insurance industry.
